

The Life Science Cluster - Application form

I/We acknowledge and accept the terms of membership as stated below, and the statutes of The Life Science Cluster (TLSC). I/We hereby wish to apply for admission to become a member of The Life Science Cluster.

Please select membership category

Member Category	Category description	Tick choice
Ordinary members	<p>All companies, research- and educational institutions, public institutions, organizations and investors for whom the life sciences and biotechnology are an important factor can become "Ordinary members" as defined in the cluster statutes.</p> <p>There are no limits to the geographical location of our members.</p> <p>Ordinary members must be officially registered as companies, public entities or organizations.</p>	
Start-up companies	<p>Start-up companies which can document a turnover of less than NOK 1 million last year, with fewer than 5 employees, and a book value of less than NOK 1 million can apply for reduced annual membership fee.</p> <p>The company's eligibility for reduced membership fee will be reassessed annually, and terminates when the company's financial situation has improved. The rights and requirements for start-up members are otherwise identical to those for ordinary members.</p>	
Personal membership	<p>Individuals may also be admitted as members. This is called "Personal membership" and may be awarded to individuals who have particular knowledge of and/or interest in the cluster's main theme, but do not represent a company or organization.</p> <p>Personal members do not have voting rights in the governing of the cluster.</p>	
Student membership	<p>Students may also be admitted as members. Student members do not have voting rights in the governing of the cluster.</p>
